**FOR IMMEDIATE RELEASE
ACTION ALERT**

**FINANCIAL COLLAPSE
Of Our Lifetime Is Coming!**

06/12/19 – EDWARD C NOONAN, Former 2012 & 2016 Presidential Candidate alert:

The Financial Collapse of our Lifetime is coming. Far worse than 2008

Skyrocketing government debt... shrinking corporate earnings... and the recent yield curve inversion...

They all point to the fact that the U.S. economy is on the verge of massive implosion.

In addition to those signals, last four Chairs of the Federal Reserve are sounding the alarm about the coming disaster.

Each has issued dire warnings to Americans, especially retirees:

- *Paul Volcker sees "a hell of a mess in every direction"*
- *Alan Greenspan cautions investors to "run for cover"*
- *Ben Bernanke is calling for the economy to "go off the cliff"*
- *Janet Yellen has pointed out "gigantic holes in the system" and admits she's worried about the next financial crisis.*

Just like the Financial Crisis in 2008 really started unraveling in 2007... [Be Ready!](#)
