SAUL ALINSKY'S 8 LEVELS: Is Now American Communism

07/10/19 – EDWARD C NOONAN, Former 2012 & 2016 Presidential Candidate alert:

All of Saul Alinsky's '8 Levels of Control' (Communism) are now operating in America

There are eight levels of control that must be obtained before you are able to create a social state.

The first is the most important.

3) Debt – Increase the debt to an unsustainable level.

- 1) Healthcare – Control healthcare and you control the people.
- 2) Poverty – Increase the poverty level as high as possible; poor people are easier to control and will not fight back if you are providing everything for them to live.
- 3) Debt – Increase the debt to an unsustainable level. That way you are able to increase taxes and this will produce more poverty.
- 4) Gun control – Remove people's ability to defend themselves from the government. That way you are able to create a police state.
- 5) Welfare – Take control of every aspect of people's lives (food, housing and income).
- 6) Education – Take control of what people read and listen to; take control of what children learn in school.
- 7) Religion – Remove the belief in God from the government and schools.
- 8) Class warfare – Divide the people into the wealthy and the poor. This will cause more discontent and it will be easier to take from (tax) the wealthy with the support of the poor.
